True-life sexual sagas of love and lust, foreplay and fornication, mad passion and erotic chaos, from actual* HIGH SOCIETY *readers.

RUB-A-DUB-DUBBED UP

Dear Gloria,

I'm a 22-year-old physical therapist living in Maine, and I read HIGH SOCIETY every month from cover to cover. In fact, as I'm writing this letter, I'm looking at Nina, your April centerfold, and fondling my hard penis. I'm writing because I'd like to offer her my famous three-stage massage.

I've found that the women I've fucked here in Quincy over the years have enjoyed lovemaking much more when their bodies were totally relaxed. With experience I developed my own technique. Actually, I've just taken simple massage two steps further. But it really works on my girlfriend, Hilary.

When she comes over, I have her undress—but not just because I like watching her strip, which I do. When she's naked I ask her to lie face down. The whole time I study the rippling of her muscles as she moves. Then I tell her to make her mind a blank, and to concentrate on nothing but the sensations her body feels.

Starting at the neck, I slowly massage her body, working my way down each arm, then the back. When I reach her buttocks, I avoid this sensitive area and move on to the legs, rubbing firmly down to the toes. Carefully, I turn Hilary over and work on the front of her body. Again, I rub her all over from the neck to her toes, this time avoiding the breasts, nipples, and vagina.

The second phase begins when I cover my teeth with my lips and start kneading every inch of her except the breasts and pussy. I tenderly squeeze and stroke her belly, back, arms, legs, fingers, etc. Then comes part three—the tongue bath.

I slowly slide my tongue over every inch of Hilary's anatomy. I pay special attention to the areas that are often neglected, like the armpits, the insides of the elbows, between the fingers and toes, and so on. Now, when I come to her soft tits, I lick around her nipples, then suck each one into my mouth and roll it around until it becomes large and stiff. Then I run my tongue down her smooth belly to her pubic hair and glistening quim, and I very gently brush them with my lips and the tip of my tongue.

Now the time has come for me to settle myself on top of her. By now she's so relaxed it's as if she's hypnotized. She barely moves as I very slowly slide my pulsing 9-inch dick into her. When I achieve full entry, I hold perfectly still for about a minute, experiencing the comfortable warmness of the inside of her cunt. Then I pump my cock in and out slowly, while watching Hilary's reactions. As she wiggles her hips and pushes her pelvis back and forth, I adjust my thrusts to her rhythms until we're both into a perfectly balanced, gut-wrenching fuck.

Gloria, sometimes this method makes Hilary so hot that she begs me to stop so she can compose herself a little and continue without having to throw herself onto my cock and come at once. But if done properly, her mind follows every movement and sensation, and the result is a build-up to a passion the intensity of which is almost unbelievable. By the time I start screwing her, Hilary's luscious body is at its peak and an earth-shattering orgasm is sure to follow.

Gloria, please tell Nina that if she's interested, I'm ready for her ripe tits and pussy anytime. My address and phone number are enclosed.

Chester
Quincy, ME

As she frantically wiggles her hips and pushes her muscular pelvis back and forth, I adjust my deep thrusts to her rhythms.

Dear Chester,

Thanks for sharing your techniques with us. As for Nina, I'll certainly convey your offer. I'm sure she'll be anxious to try it out. In fact, I may take

you up on it myself. I can always use some tender handling by a sensitive man with a huge cock.

LIBRARY LOVE II

Dear Gloria,

I wrote you a letter recently about how I spy on the sexual activities that take place in the study rooms of the college library where I work. Well, I just had to write again to tell you what happened yesterday.

I went to the storage closet and looked to see what was going on in the three love nests, as I call them. In two of them, students were merely studying. But in the third, I saw something that made my cock stiffen in an instant. There were three naked female bodies packed into that tiny room. Hands and tongues were everywhere—stroking flesh, fondling breasts, squeezing buns, fingering pussies.

The women were of different ages. The oldest, about 45, was a faculty member, a political activist and admitted lesbian. Her body was in good shape for her age, with nice brown-nippled tits that only barely sagged. The second woman looked to be in her mid-twenties—either a teaching assistant of the professor's, or her lover. The two of them seemed to be concentrating their attention and fingers and lips on the third woman in the room. From her shy, passive manner and youthful looks, I figured she was new to college and probably new to lesbian sex.

The two older women laid the unresisting student on the study table. The professor kissed her thighs while her blonde friend straddled the girl's head. I could see the novice tentatively lick the gash over her face, then she moaned as her own snatch received the experienced tongue of the pussy-loving Ph.D. The girl was soon thrusting her mound against the instructor's face, and I could see the blonde's cunt juices flowing over the neophyte's chin.

Abruptly, the older pair exchanged positions and the student eagerly ate out the educator's quim as her own was serviced by an expert tongue. When the professor came, she squirmed all over the young woman's face. They dressed then, and the instructor told the girl that if she enjoyed the experience she was to go to the professor's house the next evening to experience a lesbian fucking. She told the student that she had a strap-on cock that never went soft and was bigger than any real prick she could ever find.

I don't know why they did this in the library instead of her office. I'd never seen the professor do it before, though I certainly hope to see her in action again. I can also say that I'd give a million dollars to be able to watch the scene at the professor's house. Now that's educational!

Dear Carl,

Once again you've demonstrated the value of going to college. Like the man says, "A mound (of Venus, that is) is a terrible thing to waste—but a wonderful thing to taste!"

SHOWOFF

Dear Gloria,

I probably ought to be ashamed of myself, but I'm not. I live on the third floor of an adults-only apartment building, and I love to expose myself by getting naked in front of the big window that directly faces the other building in the complex. I'm 25, I have dark brown hair, and a great body, if I do say so myself. I exercise to keep my 35-23-35 figure trim and fit. But I exercise in the nude, and I do it in the living area with the curtains wide open.

Last Saturday evening I was doing aerobics in front of the window. I was naked, as always, and since the sun was down and my lights were on I knew that I was being watched. I could just feel the looks of lust and desire. It excited me to know I was causing all those reactions.

Suddenly the doorbell rang, and after I looked through the peephole I opened the door to a middle-aged man. He seemed embarrassed that I didn't cover my sweaty body, but he couldn't stop looking. He said something about his wife being upset with my exhibitions and she had sent him over to complain. I noticed the bulge in his pants and I touched it. He certainly had no complaints. I sat in a chair, unzipped him and proceeded to suck his stiff cock right there. His wife evidently never sucked him, and I wondered if she was watching me suck her husband.

After he shot his hot load into my mouth, he saw where we were and realized that we had put on a live sex show. He turned pale, zipped up and took off. I imagine that his wife must have read him the riot act, because within 15 minutes she was at my door, mad as hell and threatening to call the law.

I was dressed by then and asked her in. Over coffee we talked and I told her that my "shows" often inspired men to make passionate love to their wives. She admitted that that had happened a few times. Well, one thing led to another, and right there in the dining nook I went down on her tasty cunt, having talked her into letting me give her some of what I gave her husband—though not in front of the window this time, at her request.

I opened the door to a middle-aged man who seemed embarrassed that I didn't cover my sweaty body—but he couldn't stop looking.

Terri
Atlanta, GA

Dear Terri,

You were lucky that time, but what you're doing could get you in a lot of trouble. If I were you, I'd be more discreet and stick to sex with the people you've already attracted. At least for a while.

WORKING UP A SWEAT

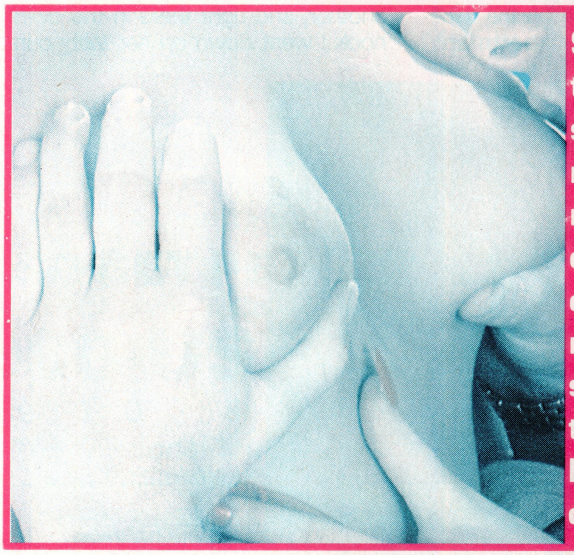
Dear Gloria,

There's a foxy lady that takes her daily jog right by my house in the evening. I guess she lives in the neighborhood, but I don't know where. I don't even know her name, but I can tell you she has strawberry-blonde hair, green eyes, and super-soft skin—and she's one hell of a good fuck.

I watched her run by almost every day after work, when I was out working in my yard. Last night, a sudden

thunderstorm hit and five minutes later there was a knock on my door. It was the jogging fox, and she'd been caught in the storm, so she asked if she could come in until the storm passed. Her jogging suit was totally soaked, so I suggested she put on some of my clothes and stick her togs in the dryer. In ten minutes she was wearing a sweatshirt and a pair of jeans while her stuff dried off.

As we sipped coffee, she noticed the latest issue of HIGH SOCIETY on my end table, and she told me she'd always wondered if the letters to you were real. She said she'd always been suspicious of most of the stories she'd read in your column. Well, I suggested she send you a letter, but she complained that she didn't have a story wild enough to tell. Then a change came over her, and before I knew it she'd taken off the sweatshirt to reveal her milk-white tits capped by cherry-red nipples, and she walked over to me and offered them to my mouth.



She suddenly took off the sweatshirt to reveal her milk-white tits capped by cherry-red nipples, and she cupped them in her hands and offered them.

I was a bit shocked, but not stupid, so I started sucking and licking those tasty buds, leaving crisscrossing trails of my saliva on them like the cobwebs of some sex-crazed spider. It didn't take me long to get to her juicier portions, either. Pushing my tongue into her slippery snatch, while her muscular, athlete's legs clamped my head in a grip of passion, was like being in heaven. I've never seen or felt a more perfectly formed female form as hers. We didn't fuck, but she jerked me off after I licked her to an explosive climax. And she said that if I wrote you a letter and you printed it, she'd fuck me and more. Gloria, if you print this letter, I'll tell her next time I see her jogging by. Then I'm sure I'll have another letter to send you.

Jim
Houston, TX

Dear Jim,

I can't wait. The way you describe this powerful, athletic woman, it sounds like your next tale of sex with her should be a doozy. Maybe you'd better start working out yourself so she doesn't completely ravage you.

GOING DOWN!

Dear Gloria,

I always read the letters from readers of your magazine, and I've always wished something would happen to me that I could write to you about. Well, today it finally happened, so here's my letter.

This afternoon, after work, I rode the elevator down as usual, and as usual it was packed with other people leaving for the day. Well, standing right in front of me was Mary, a 30-year-old executive secretary who works for an ad agency on the tenth floor. She's a real looker and just smelling her perfume was enough to make me spring a boner, not to mention the fact that her soft and shapely rump was pressed up against my crotch. I'm sure she couldn't help but feel me getting stiff.

As it turned out, not only could she feel it, she encouraged it by rhythmically pushing back against my hard-on with a teasing, rubbing, grinding motion which, of course, no one else noticed.

Suddenly, the elevator stopped between floors and the emergency light came on. Fortunately, no one panicked, probably because this had happened before. What had never happened before, at least to me, was feeling Mary's hand reaching down behind her and boldly grabbing hold of my bulge.

I broke out in a sweat, but it sure felt great! Here I was, surrounded by people, the air smelling of sweat and perfume, and I was quietly getting rubbed off by a gorgeous babe. I glanced around, but no one seemed aware of what Mary was doing. But a petite secretary standing next to me must have mistaken my reaction to Mary's attentions as fear, because she squeezed my arm and told me not to worry.

I smiled weakly, nodded, and moaned. I was getting off right then and there. As Mary manipulated my stiff cock, she made me spurt in my pants. Sure enough, at that moment, the elevator started up and when we got to the underground parking garage Mary didn't even turn as she left. As far as I know, she didn't know or care who she had jacked off. But I think I'm going to send her a bouquet of flowers, anyway, to thank her.

Robert
Clayton, MO

Dear Robert,

I've heard the business world has its ups and downs, but that's one kind of "up" I'm sure you'd like more of. Why not pursue Mary and go even further? If she'll give a stranger a hand job in a crowded elevator, who knows what she's capable of doing in private. She could probably write a book—How To Suck Seed In Business Without Really Trying.

CUMMING IN STYLE

Dear Gloria,

I guess I'm an exhibitionist. I love to cum when I think other people might be able to see me doing it. I know people get a thrill out of watching a guy shoot off, even the most prudish people, as long as no one else can see them enjoying what they see.

I especially like to ride the bus with a copy of HIGH SOCIETY so I can beat off to it in front of college chicks, housewives, and little old ladies. They seem to cheer me on with their looks, and they smile when I gush. Sometimes one of them even wants to feel the wet cum stain on the crotch of my pants. Your magazine has inspired me to shoot off many times, and the ladies appreciate it, too! Just yesterday I had one cute brunette sit beside me and look back and forth from the pictures in HIGH SOCIETY to the turbulent bulge in my pants as I whacked away at "Little Elvis," as I call it. When I popped my wad, she wiped it up with a bandanna, put it in her shorts and, I swear, Gloria, she had an orgasm.

Keep it up, Gloria. I know I will.

Sam
Los Angeles, CA

Dear Sam,

Exhibitionism seems to be all the rage these days. I just want to caution you with the same advice I gave Terri in Atlanta—be careful. Don't go overboard—you could end up in hot water. Otherwise, have fun.

EITHER/ORAL

Dear Gloria,

I've had plenty of girlfriends in my 37 years, but none has made me feel as good as Cathy does. We're really into touching. In public we always hold hands or Cathy holds onto my arm, but in private our touching is much more intimate. We're both very oral, and that sort of contact is very exciting to us.

Whenever we go out, by the time we return we're all tingly. It seems like we can't get naked fast enough to feel naked flesh touching flesh, her full breasts pressing against my hairy chest, my throbbing cock prodding at her down-covered grotto, her passionate kisses covering my face even as my lips try to meet hers.

Our hands roam freely, caressing, rubbing, massaging, exploring each other's hot bodies. Cathy has wonderfully soft skin covering her firm, well-toned muscles. And it's never long before my head is locked in the grip of her thighs as my mouth pays homage to her sweet pussy, while Cathy bathes my balls with her tongue and licks at my stiff prick before she engulfs the steely shaft in her warm, wet mouth.

I lick and suck her sweet nectar, relishing its texture, the tangy taste, inhaling the fragrance of her cunt. At the same time, Cathy has my entire cock in her mouth, welcoming it with her tongue and lips.

When she cums, I swallow each drop of her gushing fluid. Her thighs tighten around my head as spasms course through her body and she grunts and moans with my prick in her mouth. The hot breath from her nostrils tickles the hair on my balls, triggering my own orgasm, and I spurt a gusher of thick, white cum into her mouth and down her beautiful throat.

It's never long before my head is locked in the strong grip of her thighs, as my mouth pays homage to her sweet pussy while Cathy bathes my balls with her tongue.

Cathy loves to suck me off, even when I can't return the favor at the time. She's tooted my flute many times in the car, but I always repay her later by giving her sweet pussy the tonguing it deserves.

David
Knoxville, TN

Dear David,

The pen may be mightier than the sword, but the tongue beats everything like a gong when it comes to making someone cum. You two are definitely my kind of people. Here's to your mouths—long may they suck!

With the energy of 20 years of pent-up lust, I sucked on her big-nippled tits and ran my hands all over those long, luscious legs of hers.

REUNION UNION

Dear Gloria,

I was recently on the committee that organized my high school's twentieth reunion, so I wasn't surprised when I got a phone call one day from Claudia, whom I hadn't seen since graduation in 1970. She called for details about the reunion, but we talked for an hour about old times. Well, it turned out she lives about 45 minutes from me by car, so we arranged to get together for drinks at a restaurant we both knew.

I sprang a hard-on the second I saw her. I'd had a crush on her in high school, and now Claudia didn't look a day older to me than she did at 18. And the ultra-short dress she wore showed that those legs were still dynamite, as was the rest of her figure. Her smile was warm and the feel of her body and her scent were enough to cause me to sprout a boner, which she felt as she gave me a tight hello hug.

We flirted with each other and I confessed I'd had a crush on her. Damn if she didn't admit the same to me, at the same time running her hand up my thigh and brushing the bulge that threatened to pop my zipper. I about starched my shorts, but I managed to control myself and asked if she'd care to go somewhere more private.

We ended up parking on a dirt side road I know. Claudia gave me a super blowjob to take the edge off, and then we fucked with the energy of 20 years of pent-up lust. I sucked on her big-nippled tits and ran my hands all over those legs of hers. After we fucked, I ate her juicy pussy and found that I was ready to go again, so I fucked her cunt from behind until I popped my nut for the third time that night.

Well, Gloria, we see each other on a regular basis now. Claudia's married, so we're not lovers in the emotional sense. She loves her husband dearly, but she just happens to love fucking me, too.

PIECE, LOVE AND SOUL

We wonder if *Soul Train* king Don Cornelius is riding more than the rockin' railroad. Porn star Heather Hunter, who has been firing up the fuck and suck film business for the last year, was spotted as a featured dancer on at least two episodes of the syndicated black dance music show. Heather, who is half-black, half-Italian, has recently starred in the Vivid Video production, *Performance*. Ironically enough, the video's promotion says, "Get On The Real Soul Train" (see photo) and begins with Heather dancing naked. Of course, the dancing quickly turns to dirty dancing as Heather has sex with a number of the video's actors. There was no sex on *Soul Train*, but then again who *really* knows what's going on under Cornelius' giant suit?

"EX-PORN QUEEN" *TRUMPS IVANA*

In a precedent-setting divorce arrangement that would cure even Ivana Trump's miserable wedding bell blues, Patricia Kluge, the part-English, part-Iraqi wife of Metromedia founder and billionaire John Kluge, 81, considered by many to be the richest man in America, has reportedly agreed to a divorce settlement that would provide her with a booming annual income of up to $1 billion.

Lawyers for the beautiful Mrs. Kluge, 41, once described by British tabloids as an "ex-porn queen" when nude photos of her allegedly surfaced during a 1985 royal charity benefit, cited "irreconcilable differences."

LAND OF THE FREE AND HOME OF THE *WEIRD*

Twisted *Ur*-Gonzo journalist Dr. Hunter S. Thompson is no stranger to run-ins with the law. But now the dean of violent, drug-addled alcoholics is facing a possible 16 years in prison because of allegations made by porn producer/director/actress Gail Palmer (*The Erotic Adventures Of Candy*).

Palmer, who entered porn at 19 doing live shows and went on to appear in *Playboy*, has accused Thompson of twisting her left breast and threatening to blow her head off when she refused to join him in his hot tub at his Colorado retreat near Aspen. As a result, Thompson is looking at charges of sexual assault. Moreover, thanks to a warrant based on Palmer's unsupported and uninvestigated complaint, his house was allegedly searched (in violation of the Fourth Amendment) and he was further charged with four counts of felony drug possession and one of possessing illegal explosives.

According to Thompson, Palmer's tale of sex, violence, drugs and weapons is a publicity stunt, and the blue biz baroness was drunk and came on to *him*. Thompson, whose writings have made him a thorn in the side of Aspen, also claims that local authorities are merely using the incident as an excuse to "go after him." Even Palmer has since denied that any felony or sexual assault occurred.

UNCLE SAM DOUBLES DOWN HARD ON *HARRIS TWINS*

Former centerfolds Lynette and Leigh Ann Harris, better known as the Harris Twins, have come under fire by the IRS for allegedly failing to report more than $1 million in cash and goods given them by a wealthy widower.

The blonde and busty twins, dubbed the "silver screen's first C-cup couple," came to the attention of sex-crazed movie mavens everywhere in the sordid sword and sorcery epic *Sorceress*.

Lynette Harris, 35, who was recently found guilty of tax evasion, maintained that the money she received during her courtship with David Kritzik, 89, amounted to gifts rather than taxable income.

According to published reports, Harris failed to report $686,000 in income she allegedly received from the Milwaukee businessman, from 1984 to 1987. She faces a maximum 12 years in prison and a fine of $626,000, when sentenced.

Her identical twin sister, Leigh Ann Conley, is reportedly scheduled to be tried on similar charges involving allegedly unpaid taxes on $397,000.

According to court testimony, Kritzik, who died last year, publicly referred to the twins as "my girls" and said they had "nothing to worry about for the rest of their lives."

Greetings, my friends. As you can see, I, The Nutty Pornographer, have been banished by sinister forces to the dark, dull, cramped and uncomfortable final page of what was once my vast domain. Cast out like an old shoehorn. Disgraced and diminished in the eyes of my wives and mistress! The lighter side of pornography has been seduced by the dark side of smut and succumbed, and there's nothing we can do about it. The next thing you know, they'll be taking the naked out of the naked lady on my morning box of cereal. What's that you say? There *is* no naked lady on my morning box of cereal? I knew it! It's starting already. And no prize inside, beneath the flakes, either! Why, if I had more room, I'd ask you to write Congressman Crothers—but I don't so I won't. Now into . . . The Booby Hatch. And one at a time, please. It's very tiny now. Very tiny indeed, damn it. Not enough room for everybody. Not even enough room for me to finish writing this damn introduction. Goodbye to you, now, and farewell. I'll see you next time, if I'm still here at all. You never know, you never know.

THE UNKNOWN PORN STAR

Now, America, we would like to introduce you to Miss—well, we don't exactly know *what* her name is. Some say she's a highly-placed Costa Rican government official. Some say she's somebody else's wife. Still others maintain that she was never here at all. All we know is that she's the only actress in the blue biz to make it big without ever appearing in front of a camera. We think. It's hard to tell. Why, this publicity-shy sex goddess keeps such a low profile that this isn't even an actual photo of her. In fact, we don't even know the name of the stand-in who posed for this incredible simulation. If you think you know the identity of either woman, or that of somebody else's wife, keep it to yourself. We'd rather not know. Know what we mean?

TACKLE BOXES

At last, naked female football players are on the way. Next season, major gridiron leagues will feature full-frontal nudes in their huddles because of diminishing attendance at stadiums across the country in recent years, the *Washington Sports And Spurts Picayune-Post* has reported. "Not enough pink!" has been a recurring gripe from pigskin addicts since October of 1957, and officials as high up as "Bacon Puss" Pulaski are finally succumbing to the pressure of the fans. "Bacon Puss" Pulaski, as is commonly known, has a face like a five-pound ham and likes to have sex.

"Talk to me! Come on talk to me — faster, faster, talk to me!"

"Catnip"

Most people believe she was named after the breathtaking resort island, Santa Catalina in California. But comely Catalina L'Amour says her name is intended to invoke the feel of the feline, that very special mystery only some women possess which screams sensuousness and unbridled sexuality. Since her very first lovemaking session, Catalina knew that she could release animal instincts in men. In fact, she says her lovers often lose consciousness in her grip. After that, they're at her mercy.

Photos by SUZE RANDALL

Men often lose consciousness in Catalina's arms. After that, they're at her mercy.

Men can sense it in the way she walks, talks and moves. Catalina is sex personified. Many of her lovers call her the "catwoman" and often get lost for hours in her own humid "pussy." "I saturate my men. My hot juices can actually scorch their skin. It's my way of paving the path into my body, just the way a tigress prepares her male for hours of mating," Catalina says.

"I saturate my men. My hot juices can actually scorch their skin. It's my way of paving a path into my body, the way a tigress prepares her male for hours of mating."

Her bedroom actually resembles the lair of some dark night creature waiting to ensnare a sex partner. Satin sheets, plush rugs, overstuffed pillows and of course, plenty of "catnip" combine to arouse the deepest erotic notions of any man. Making love to Catalina has been equated with making love to a mythical siren who is never sated. But to date, no man has complained.

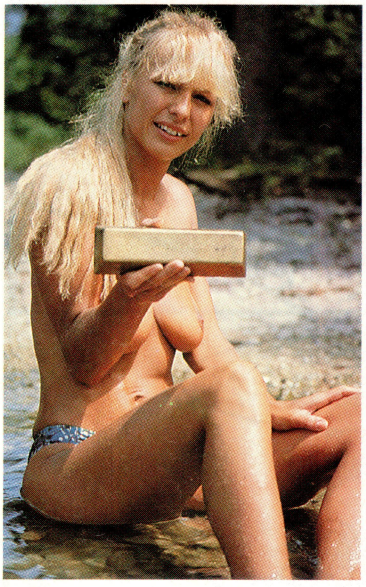
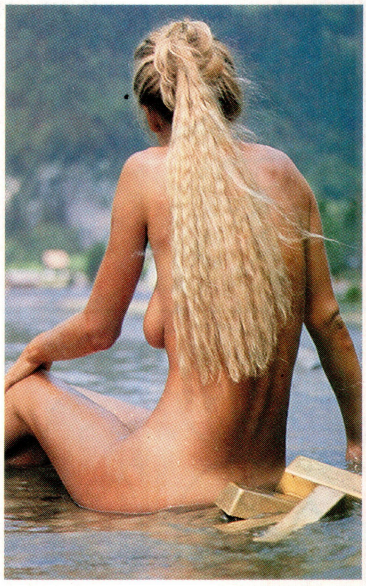
HITLER'S TREASURE

In the icy depths of Lake Toplitz lies a secret treasure once abandoned by the Nazis. While historians admit that the lake may have been a last-ditch military dumping ground for the Third Reich, treasure-seekers have discovered it to be the source of enormous wealth.



Fortune Smiles: Sexy adventuress holds one of several five-pound gold bars, part of Hiltler's secret cache found at the bottom of Lake Toplitz.



BY STEPHEN LOSHIAVO

AMIDST THE beauty of the vast Austrian mountains, lie the secrets of the world's most infamous war machine. Lake Toplitz, chosen by the Nazis as the repository for their top-secret documents and materials, has also revealed vast treasures of Hitler's Third Reich. According to historical records, German propaganda minister Josef Goebbels owned a small castle near Grundlsee, not far from Lake Toplitz, which was used as an experimental base by the German Navy.

Clandestine Operations

Toward the end of World War II, Hitler's top SS officers reportedly gathered at Goebbels' castle and the movement of German columns and military hardware toward Toplitz began. Although many residents of the surrounding area were evacuated, several witnessed the transfer of heavy wooden boxes by horse-drawn wagons to the lake. According to American military intel-

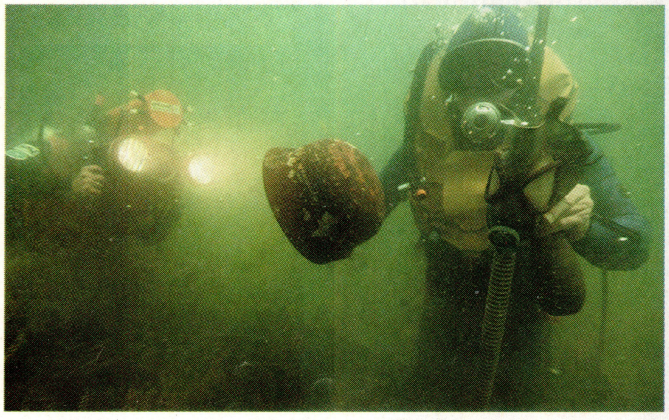
ligence, transportation of these boxes continued for many weeks.

Following the war, these events were largely forgotten, but in the late '40s, rumors once again surfaced concerning secret SS activities, forged documents, and buried treasure. Some political historians believed that the priceless Hungarian crown jewels could be found at the bottom of the lake. Still others professed that the fabled treasure of the Nazis—more than 70 tons worth of gold, coins, ingots, and jewels—was buried there.

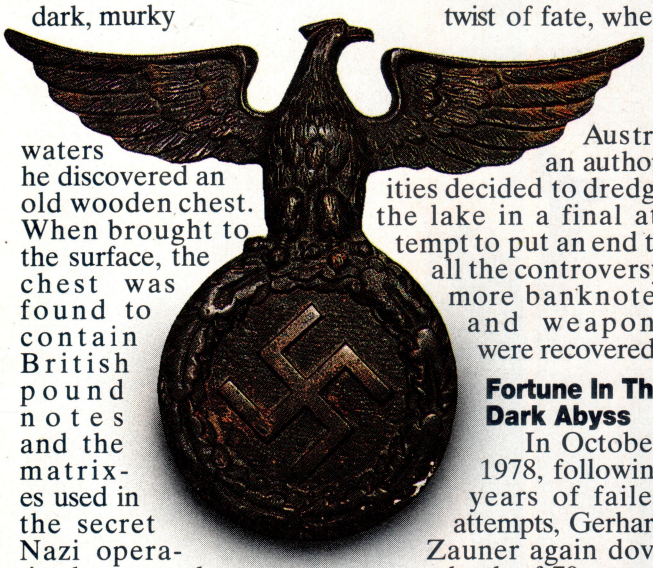
Hitler's Dumping Ground: (Clockwise from top) Zauner displays treasure; Villa Castiglione, secret Nazi base; diver salvages relics; chest containing bogus British bank notes.

Booty And Treachery

When controversy surrounding the treasure was at its peak, the German magazine *Stern* organized a full-scale expedition by a group of



expert divers to ultimately determine the truth. According to published reports, when frogman Gerhard Zauner dove into the lake's dark, murky waters he discovered an old wooden chest. When brought to the surface, the chest was found to contain British pound notes and the matrixes used in the secret Nazi operation known as the *Aktion Bernhard*.



One of the largest and most intricate counterfeiting operations in history, it began in 1941 when several paper and minting experts were summoned by Adolf Hitler to Berlin. In an attempt to undermine the British economy, Hitler ordered his experts to carefully duplicate the British pound note so that even the Bank of England would find them acceptable.

Zauner's remarkable discovery confirmed what historians had always suspected: the Nazis had attempted to wreck the British economy by printing large quantities of counterfeit currency. The value of the recovered notes totaled more than 80 million marks.

Following this unprecedented discovery, the search for Hitler's Treasure intensified. It wasn't long before several thrillseekers told of clandestine dives that unearthed various SS army relics, including daggers encrusted with precious stones. Unfortunately, fatalities were also on the rise. According to eyewitness accounts, one German underwater diver, Alfred Egner, perished at a depth of 65 meters while allegedly searching for treasure. In an ironic twist of fate, when Austrian authorities decided to dredge the lake in a final attempt to put an end to all the controversy, more banknotes and weapons were recovered.

Fortune In The Dark Abyss

In October, 1978, following years of failed attempts, Gerhard Zauner again dove to a depth of 70 meters and this time successfully recovered several wooden boxes containing dozens of Nazi-engraved gold bars, each weighing approximately five pounds a piece and estimated to be worth millions. A portion of Hitler's treasure had finally been found.

Remarkably, hot on the heels of Zauner's celebrated find, a second German magazine, *Geo*, organized an expedition to resolve the Alpine enigma. With the help of noted marine biologist, Hans Fricke, researchers and technicians conceived and built a bathysphere capable of withstanding extreme pressure at a depth of 400 meters. Fricke never found the fabled treasure of the Nazis, nor any of Hitler's gold, but he did confirm that the bottom of Toplitz was indeed a "dumping ground" for Hitler's Third Reich. Hand grenades, helmets, handguns, ammunition cases, mines, mortars, antiaircraft cannons, busts of Hitler, and propaganda materials where all recovered. In addition to Nazi relics, Fricke also discovered a World War II airplane at the bottom of the lake—

reportedly with a corpse in the cockpit. Aviation experts later identified the aircraft, a Junkers W34, from information provided by the marine biologist.

The Ultimate Secret

Today, Austrian officials continue to discuss the possibility of once again dredging the bottom of Lake Toplitz. Although obstacles remain, treasure-hunters continue to besiege the lake in the hopes of one day recovering Hitler's Treasure.

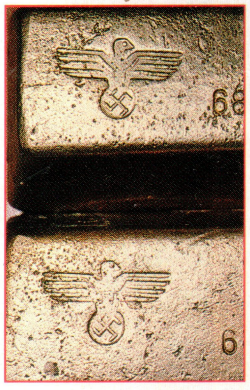
HELGA

HITLER TREASURE APPRAISER—NUDE! DREAM COMES TRUE FOR FOXY FRAULEIN

"Weapons, mines, mortars... very interesting, but so violent. I'm partial to peaceful collectibles!" says Helga, a beautiful blonde appraiser from Stuttgart, Germany. "Gold, precious stones, handsome lovers, these are treasures I trust." Well, Helga should know. This fabulous fraulein *came to our amorous attention while we were doing research on Hitler's Treasure* *(see page 24).* *It didn't take long, though, for us to realize we'd stumbled upon the most precious prize of all—Helga!*

As it turns out, this 30-year-old bombshell has been in the business for ten years now, and as the pre-eminent appraiser of precious stones and wartime relics, it was she who first inspected the remarkable antiquities recovered from Lake Toplitz. To say that she was impressed by what she saw is certainly an understatement. "Wunderbar," *Helga declares.* "Clearly the most revealing record of war to date."



Revealing to say the least, but we discovered something special, as well. It seems that one of Helga's greatest fantasies is to pose nude for an American men's magazine. Well, what better way to make her fantasy come true than to pose for America's Hottest Sex Magazine, HIGH SOCIETY. *Helga may eventually lose her German accent, but as you can plainly see from these fabulous shots, there's no way she's about to lose her sensational shape. Who says investigative reporting doesn't pay?*

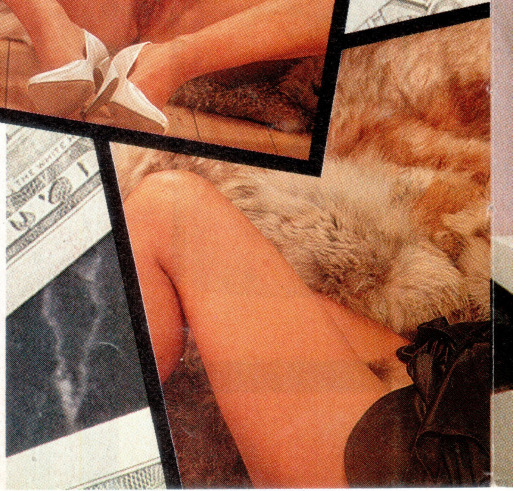
With all the young, gorgeous guys I've signed to my agency, I'm never at a loss for some delicious sex, any time of the day or night." This is the first time Wendy has appeared as a model herself, though. But she assures us she loved every minute of it—especially the post-shooting session with the hunky photographer.



Danielle says that, having been born into money, her only pleasure in life has been shocking people. "That's why I want to be in HIGH SOCIETY—maybe even a regular model," she states. "Like they say, the devil has work for idle hands. Well, my hands may be idle, but my pussy definitely isn't!" Danielle, 27, likes to tool around the Riviera on her yacht in the nude, picking up rich, young studs along the way for a little sexual hanky-panky before dropping them off on the beach before searching out another tasty catch.

Catherine

At only 33, blue-eyed Catherine has built up her own restaurant empire, and is always on the lookout for new and exciting ideas to expand her horizons. One of her favorite pursuits is "creative cooking in the nude with a sexy man." At a petite 5'4" and 115 pounds, that 36-24-36 form makes it no surprise when she states "I don't look for anything in a man; I'm self-sufficient, successful and happy with myself. Men usually look for me—a persistent good-looking guy can go a long way with me if business isn't pressing."

Jacqueline

Jacqueline is the 25-year-old wife of one of the wealthiest oil barons in Texas. In addition to music and interpretive dance, her hobbies include drawing and collecting rare first editions. Her measurements are 38-27-37, and she tells us the wildest place she's ever had sex was with another woman in a ladies room at Dallas International Airport while her hubby waited for her outside without knowing what was going on behind the closed door. "I know my husband will have a fit when he finds out I posed for nude photos for a magazine," she says. "But he's such a stuffed shirt, and I get so bored. I need some real excitement in my life, and this really does it for me."

MODEL RELEASE

I, the undersigned, hereby warrant that I am over 18 years of age. I have seen **HIGH SOCIETY Magazine** and am familiar with its content. JUST DESSERT

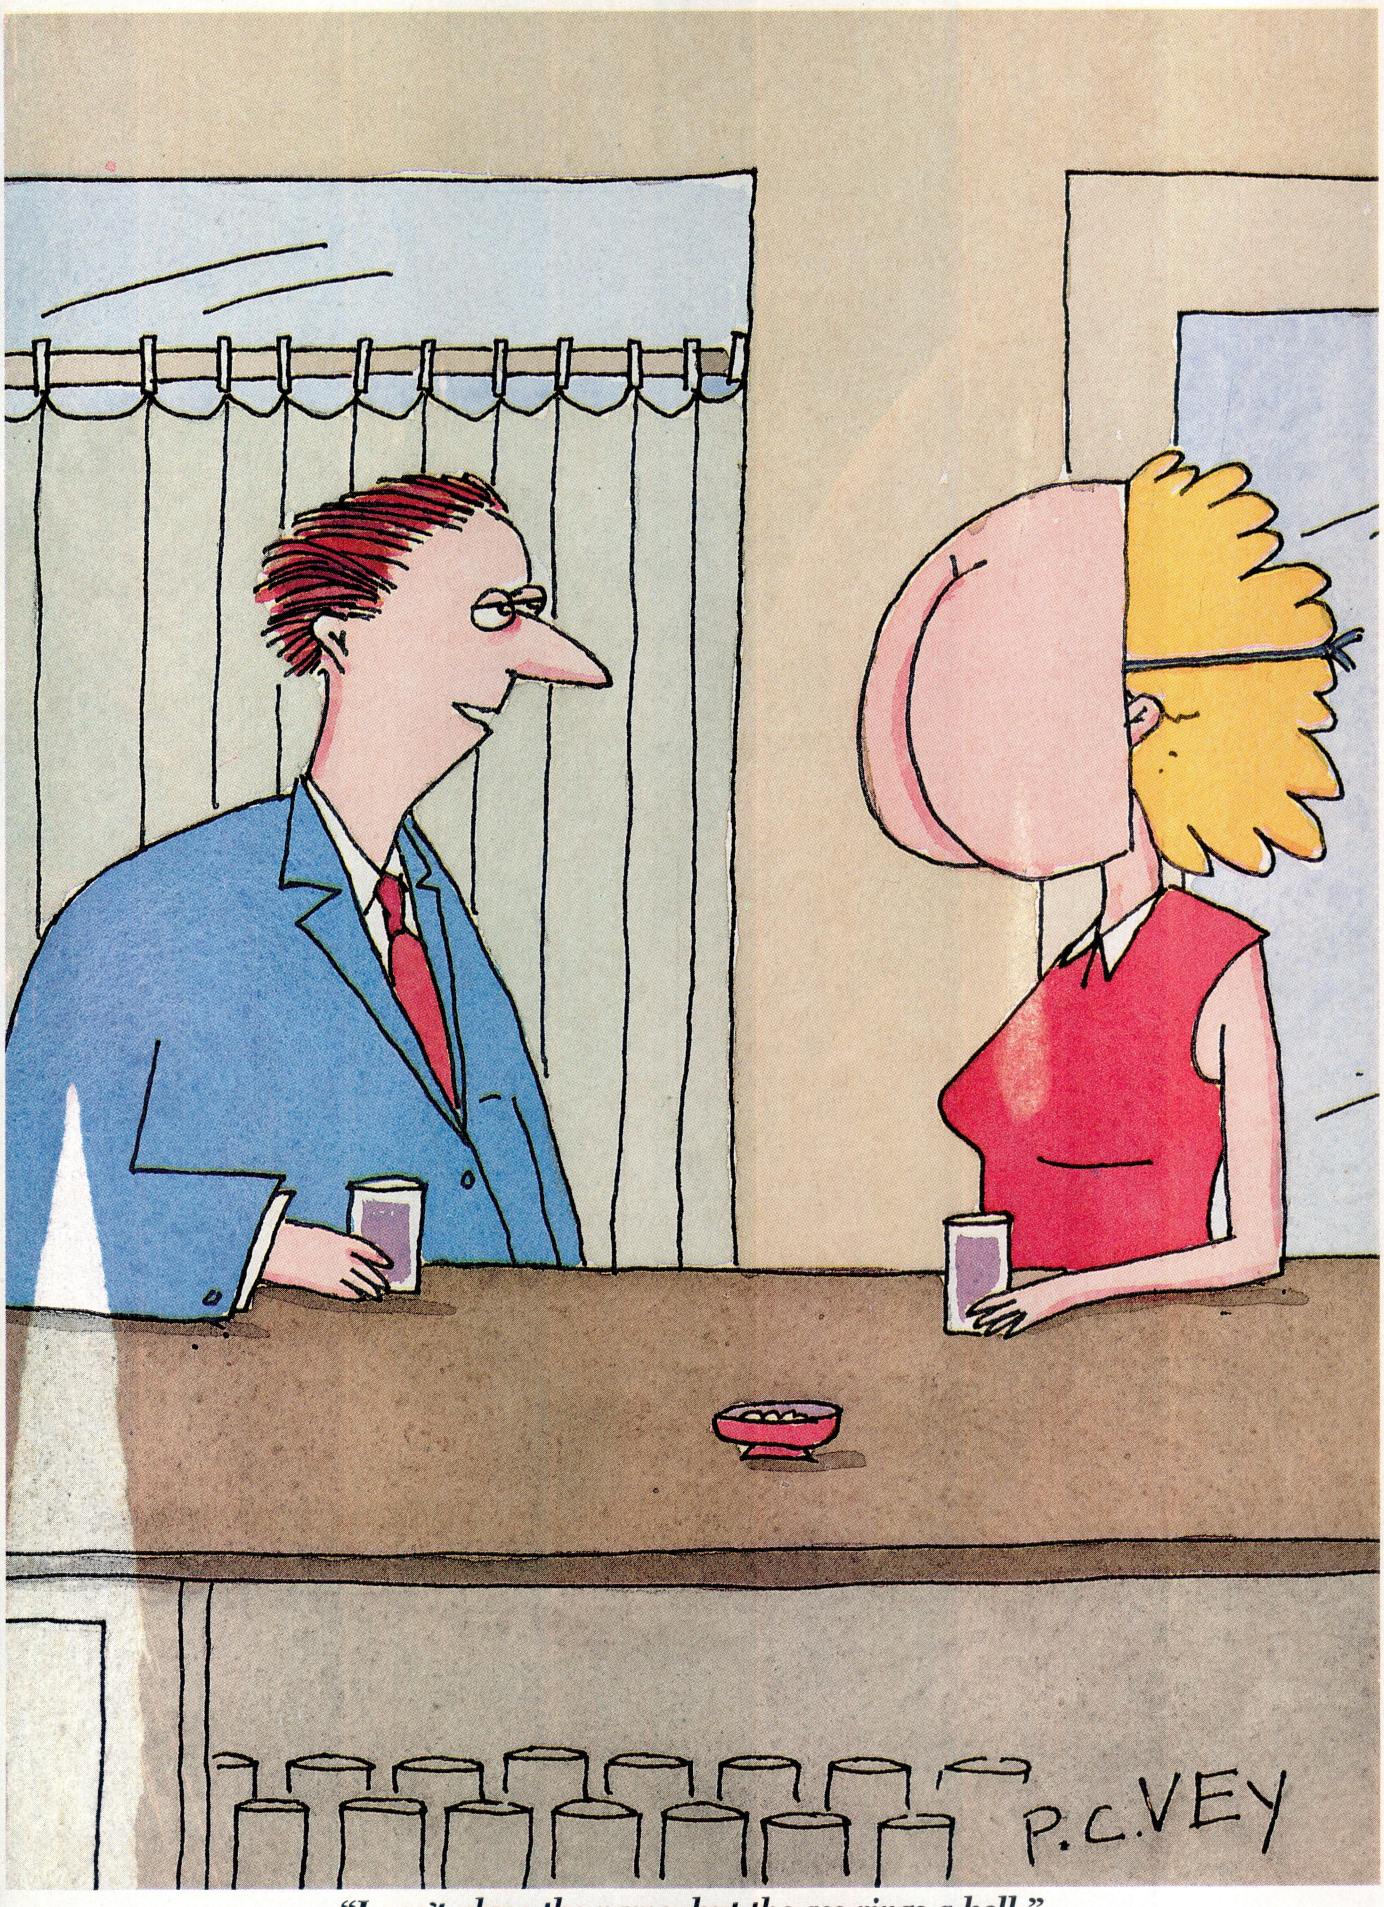
They've just returned from a hot night out on the town. What began with a romantic candlelight dinner at a well-known Italian restaurant and ended with after-dinner nightcaps at a funky jazz festival can only get better. That's because these two are finally getting down to business and plan to satisfy their intense desire for lust the same way they've conquered their appetite for fun.

They begin their sexual spread much like sampling a delectable sundae, first licking their luscious lips in sweet anticipation then tasting the forbidden fruit. Jack gently moves his tongue over Debbi's carnal confections, all the while drinking in her wonderful scent. Then she opens herself up to him, urging him to satisfy her with his wet mouth.

Driven to point of ultimate ecstasy, Debbi deepthroats her lover and then begs him to fill her hot honeyhole with loads of thick cream. Her gorgeous face displaying the pleasure of final fulfillment, the pair lock in a lusty embrace and then collapse in sweet rapture, the sticky sensation of pleasure the essence of their just dessert.



"I can't place the name, but the ass rings a bell."

CELEBRITY EXCLUSIVE

HIGH SOCIETY Uncovers Julia Parton

DOLLY PARTON'S *Clothesless* KIN

She's one hot hillbilly, and proud of it. Although super sex model Julia Parton, Dolly's real-life relation from the mountains of Tennessee, now hails from the big city, she talked at length with **High Society** about her big boobed country "kin" on our exclusive photo shoot at Dollywood, Dolly Parton's Pigeon Forge amusement park.

"All of the Partons from the Smokey Mountains who spell their name like mine are related. My dad once said we all came from the same Irish clan and had the same grandfather or something like that," Julia said. But where the stunning Titian-haired Julia differs is in her streak of adventure and lust for life, that possibly comes from her other heritage of Cherokee Indian. A nude model since she was 18, Julia has sizzled photographers lenses and video cameras around the world. She said that she loves nude modeling because it is very flattering to her to think that men admire her body. "I was very self-conscious about my body as a young girl, like I guess most big-busted girls are. So now I really get off on being nude and having people get excited about me."

Although Julia differs a great deal from cousin Dolly, there are some

Photos by SUZE RANDALL

striking similarities. Julia has always had big breasts, and said it's a real struggle to keep her weight down just like Dolly. And the country cutie is also an accomplished singer who has sung in gospel choirs all of her life. In fact, her and porn star Tom Byron, who Julia said also sung in choirs, once did a duet on the set of a porn movie. "He's a great singer, an unbelievable tenor. We thought about starting a rock band called *Triple X*." Both Dolly and Julia come across as sweet down-home girls, according to Julia. She said Dolly also has a love affair with the world, and it comes across in *her* brand of sensuality, but the porn star Parton said, "Dolly keeps most of her clothes on - and keeps her knees together."

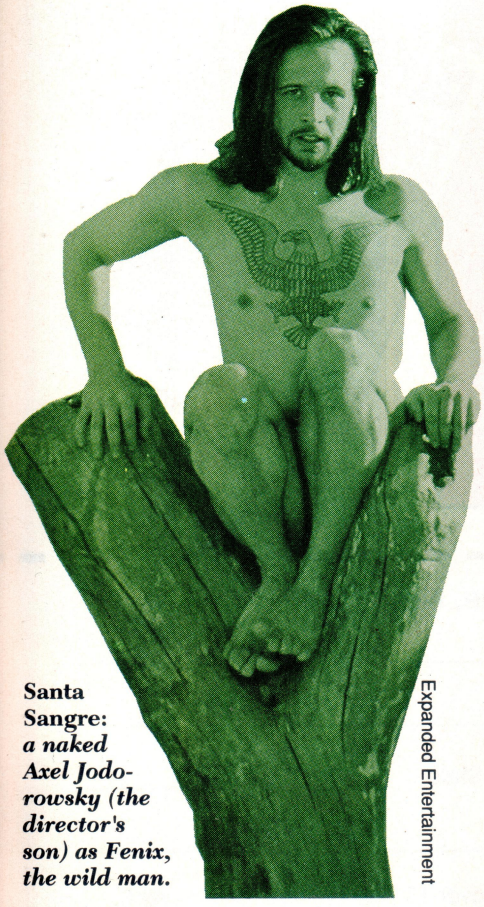
I certify that I am over 18 years of age (please sign).

Will the newly proposed "A" rating really give filmmakers a license to push the limits of sex and violence? Or is it just another "X" in disguise, calculated to restrict the artistic freedom of directors who go too far? Only time and David Lynch's *Wild At Heart* will tell . . .

THE CENSORS WITH THE X-RATED EYES



Santa Sangre: *a naked Axel Jodorowsky (the director's son) as Fenix, the wild man.*

Expanded Entertainment

Hold on to your hair, boys, and don't step on any snakes—"A" isn't for *Apple* anymore. In fact, from now on, "A" may be for *Anything,* as in *Anything Goes*: weird sex, twisted ultra-violence, shocking and tasteless obscenity. Anything but apple, unless the apple is a murderous, sex-having animated apple who spouts vile, four-letter words. That's because a new film rating, A (for adults only), is about to give mainstream screenwriters and directors *carte blanche* to remain legitimate while going totally over the edge and into the whirlpool of explicit sex and violence once only reserved for films besmirched by the dreaded X rating. The genesis for the new rating is rooted in the threat of two soon-to-be-released films being saddled with X ratings—Martin Scorsese's *GoodFellas*, starring Robert DeNiro, and *Wild At Heart* by David Lynch, the creator of *Blue Velvet* and the bizarre hit TV series *Twin Peaks*.

BY PAUL N. W. PROCH

The Rating Game

Just when the film ratings board seemed to have settled on a relatively understandable set of regulations regarding what's allowable in the way of content for R- and X-rated movies, it appears that this new and spicy ingredient is to be added to the alphabet soup of the Motion Picture Association Of America's rating system. A recent spate of sexually explicit and violence-sodden mainstream films has caused all hell to break loose between filmmakers and the MPAA. *Henry: Portrait Of A Serial Killer; Tie Me Up, Tie Me Down; Santa Sangre;* the film version of Sandra Bernhard's Off Broadway show *Without You I'm Nothing;* the Mickey Rourke vehicle *Wild Orchid;* and *The Cook, The Thief, His Wife And Her Lover* are all

distinguished "art" films by well-known, celebrated filmmakers which have done battle with the ratings board.

Because these ratings are *voluntary* labels and do not reflect any legal judgement or evaluation, there is no actual *law* restricting anyone of any age from entering a theater showing an R-rated or X-rated film. Nor are films required to have a rating of any kind. These ratings have, however, had wide-reaching consequences for filmmakers. To this day, for example, most newspapers will not carry an ad for any film, however serious and aesthetically vigorous, which receives an X rating, and many theaters refuse to show a movie so rated. Between 1969 and 1972, three of the most highly-acclaimed films of that time—*Last Tango In Paris, Midnight Cowboy,* and *A Clockwork Orange*—were branded with the dreaded X, yet went on to become classics in spite of the stigma. Other worthwhile films, though, haven't been as lucky, and suffered a quiet, ignominious death at the hands of the cinematic crossbones.

Unkindest Cuts

Wild Orchid and *Without You I'm Nothing* were cut because of sexual content to qualify for an R rating, while others (*Henry* and *The Cook, The Thief,* etc.) have been released by their directors with no rating as a protest against the unfairness of the ratings system. *Santa Sangre* on the other hand was cut without its director's permission or knowledge to avoid the X rating.

Expanded Entertainment

The Tattooed Lady (Thelma Tixou) from cult filmmaker Alejandro Jodorowsky's controversial cinematic allegory of violent sexual passion and erotic obsession,* Santa Sangre—*does this really deserve an X- rating?

But Is It Porn?

The special problem for filmmakers today is that, because of its association with the porn industry, the X rating immediately connotes an explicitly sexual orientation which lumps any important, quality film rated X—yet made with integrity—in the same category with *Deep Throat.* While the aforementioned cases were dismissed by MPAA president Jack Valenti as marginal films, and the fact that so many films were rated X within a short period of time as a fluke, two new films are stirring up a hornets nest of controversy that could be the sting of death for the rating system.

GoodFellas and *Wild At Heart* are being threatened with X ratings, and the directors of both are resisting pressure to cut their films to qualify for the R rating. Scorsese and Lynch are two of the most highly honored American filmmakers at work today, and both are seen as important artists. Neither is likely to surrender artistic control of their works. But at the same time, neither an X rating nor an unrated status will be acceptable to their distributors.

At the same time, Miramax Films (*The Cook, The Thief, His Wife And Her Lover* and *Tie Me Up, Tie Me*

***Helen Mirren in the unrated* The Cook, The Thief, His Wife & Her Lover.**

Down) is preparing a lawsuit to challenge the constitutionality of the MPAA system. With all this turmoil brewing, a call has gone up for a new classification—"A" for adult. This would essentially fall between the R and the X, and provide a slot for respectable films not intended for viewing by anyone under 18, even when accompanied by a parent or guardian.

A + X = Why?

For some time, the X rating has been reserved almost exclusively for hardcore sex flicks, but in recent years many mainstream films have advanced perilously close to the levels of raunchy intensity typical of most porn films. The new A rating would allow legitimate films like *Wild At Heart* and *GoodFellas* to be booked into theaters and advertised in newspapers and on TV, which pornography (i.e. X-rated movies) can not.

With the widespread desire within the film industry for rating reform, and the possibility of a lawsuit putting an end to the MPAA's allegedly unconstitutional rating board forever, it's a safe bet that the MPAA will agree to add the A rating to its list in order to mollify rebellious filmmakers like Lynch and Scorsese. However, MPAA president Valenti remains adamant-

Mirren ("His Wife") about to go for an "X" with Alan Howard ("Her Lover").

ly and inexplicably opposed to the adoption of an A rating. But industry insiders are currently predicting that the A rating will be implemented before autumn nonetheless, which will no doubt allow many respectable motion picture directors and writers a great deal more artistic freedom in the range of choices they can make for the content and style of their films.

LEEANNA

Sweetly embraceable, to say the least, Leeanna is one fantastic package of erotic hustle and bustle that never says "No!" Going to bed with her is like spending the night with a big-breasted, insatiable, high society vixen.

This sex machine isn't toast and coffee. She's the perfect sexual meal—delicious and always hot. When a guy wakes up to the smell of her sizzling "bacon," the furthest thought from his mind is running to the kitchen—instead, he just wants to stay in bed, pull the covers over his head, and chow down!

Leeanna's breasts, all-natural believe it or not, are the stuff that wet dreams are made of. There isn't a man alive who wouldn't sell his immortal soul for the chance to wrap his lips around those massive love bubbles. And there isn't a man alive that Leeanna would refuse if he asked her permission.

Leeanna is the perfect sexual meal—delicious and always hot!

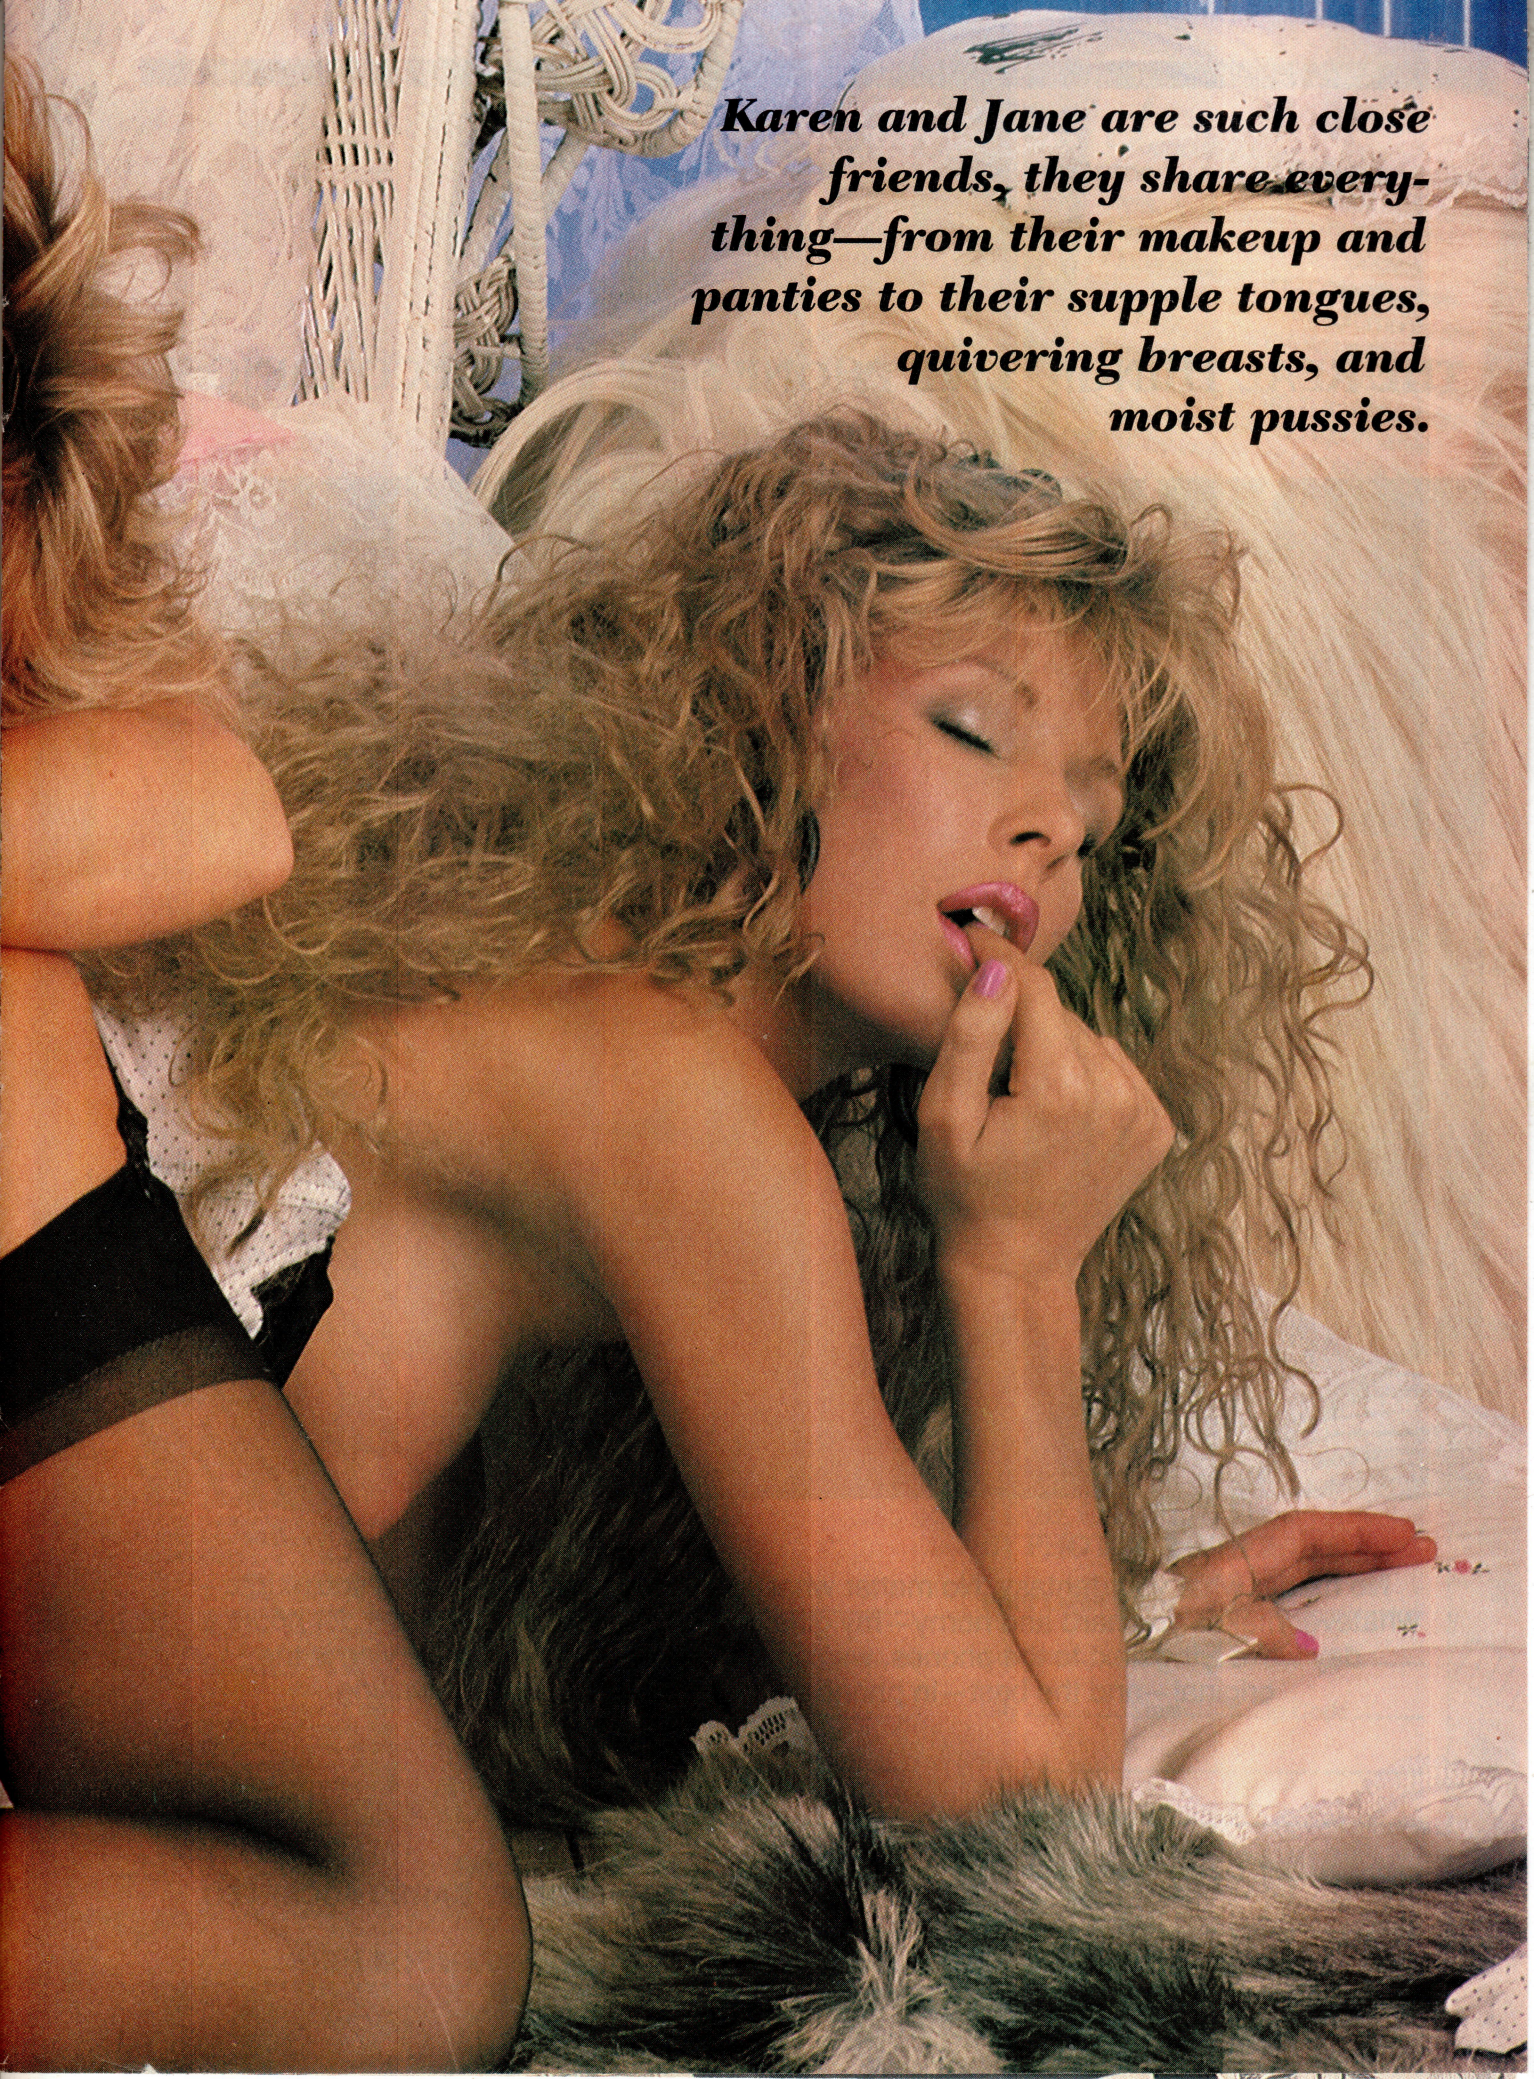
WOMAN TIMES TWO

For Karen and Jane, even the skimpiest of scanty negligées is much too much to wear. These able-bodied bosom buddies get hot under the collar—not to mention elsewhere—when the weather's warm and they're enjoying each other's company. So after a quick shower, they apply a generous supply of body oil to one another to cool their heels—not to mention other, more succulent things. At first, these sizzling chicks try to contain their thirst for each other's soft, agile bodies. But soon, things only heat up more.

Then, Jane and Karen relax and drift into a dreamy spell as they probe each other's deepest desires. And, once their arms and legs are tangled in a tight embrace, there's no parting these bed-riding bedfellows. There's only an abiding oneness and the irresistible urge to keep each other's lithe bodies sexually satisfied.



Karen and Jane are such close friends, they share everything—from their makeup and panties to their supple tongues, quivering breasts, and moist pussies.

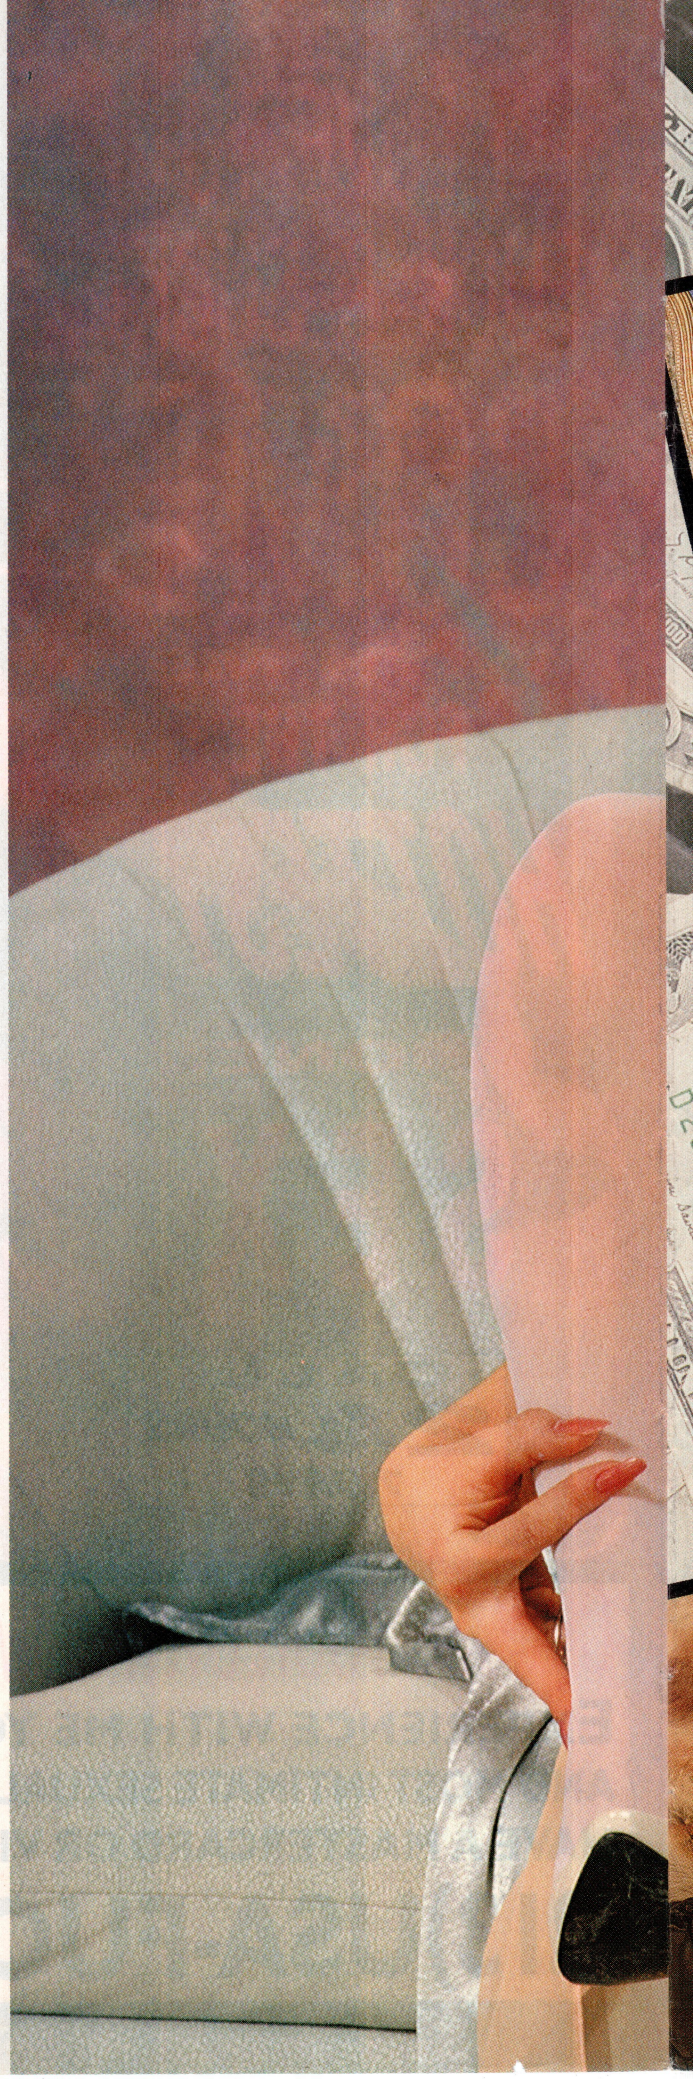
porn star PROFILE

LAUREN HALL

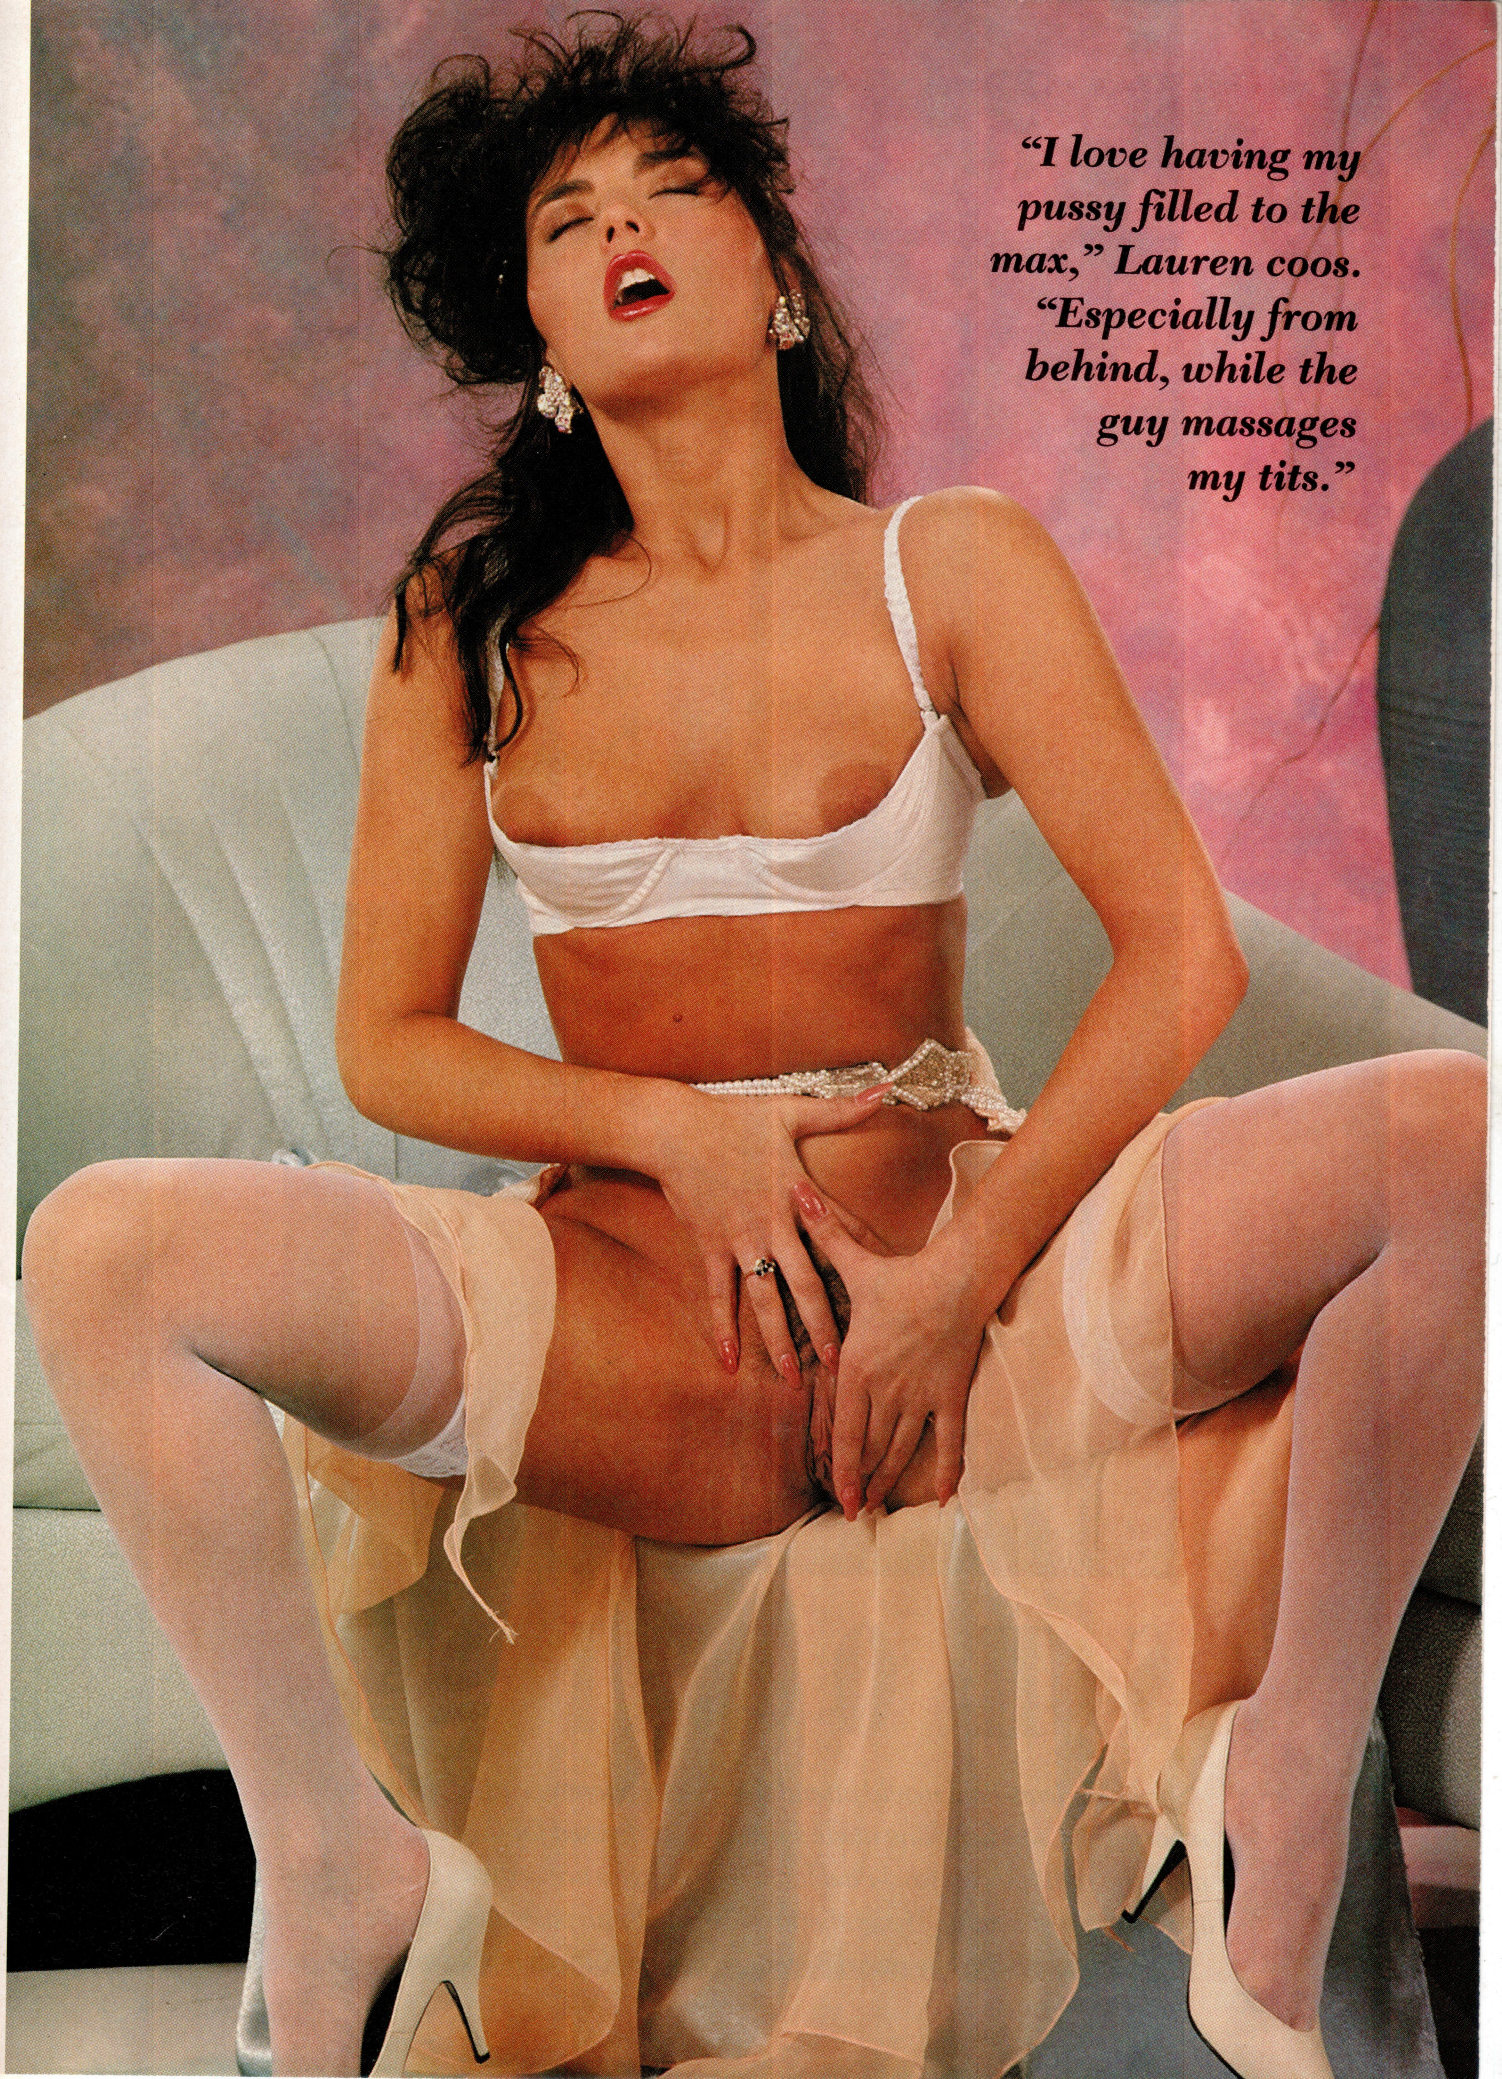
"I can't get enough of a hard prick filling my pussy," Lauren Hall, the sultry star of Breastside Story *and* Deep Throat IV, *tells us candidly with a dreamy look in her eyes. Of course this doesn't surprise us. She is one of the most sought after sex goddesses on the erotic film scene today. Her gorgeous face and sizzling hot body—not to mention her ability and desire to do* anything *in the way of sex— makes her a treat for either sex. But her real passion is for other women. "A beautiful pair of legs really turns me on. And I can do a lot more with women. Plus, I love the taste of pussy," she says. "My favorite actress to work with—if you can call it work—is Trish. She's so beautiful and sexy!"*

But don't think luscious Lauren doesn't like guys. "I love having my pussy filled, especially from behind. I did a scene in Legend Part I *with Randy West that was* really *hot. We fucked in the rain all afternoon for that; I love being wet all over."*

Well, Lauren is sure to go far in the blue biz as long as she can keep up that level of erotic intensity. And from where we sit, it sure looks like she's showing no signs of ever slowing down. That should certainly make a lot of American men happy for a long, long time.



Photos by SUZE RANDALL



"I love having my pussy filled to the max," Lauren coos. "Especially from behind, while the guy massages my tits."

SHOWING

She knew Jean-Paul would attend the gallery opening earlier than any of the other guests, so Michelline made sure she was dressed for love and perfumed in all of the right places. Jean-Paul loves women who are sexually brazen and who appreciate real beauty. His æsthetic sense is only surpassed by his lust for female flesh, and Michelline was determined to have him as her lover that night.

It wasn't long before the young beauty from Pigalle began to entice Jean-Paul with glimpses of her leg and thigh. He responded immediately, riveting his dark eyes on her exposed limbs. The thought of arousing this man gave Michelline the courage to remove her dress and undergarments and sit daringly in the center of the gallery tempting Jean-Paul to take her.

He stripped the remainder of her clothes delicately off of her body and kissed her humid skin at every opportunity. Her legs were weakened by his touch and her love hole dripped in anticipation. Lost in desire, the French maiden surrendered to her man's desires and exposed herself fully. In wild abandon they fucked furiously despite the guests who were to attend any moment. The danger intensified the passion and heightened each of their orgasms.
